Forward-looking statements in this release are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Such forward-looking statements include statements regarding the business outlook for 2008 and thereafter, future pool market sales, and the potential growth of EFO sales based upon its energy savings over halogen and fluorescent lights. Investors are cautioned that all forward-looking statements involve risks and uncertainties. Actual results may differ materially from the results predicted. Risk factors that could affect the Company's future include, but are not limited to, a slowing of the U.S. and world economies and its effect on Energy Focus' markets, failure to develop marketable products from new technologies, failure of EFO or other new products to meet performance expectations, unanticipated costs of integrating acquisitions into the Energy Focus operation, delays in manufacturing of products, increased competition, other adverse sales and distribution factors, and greater than anticipated costs and/or warranty expenses. For more information about potential factors which could affect Energy Focus financial results, please refer to the Company's SEC reports, including its Annual Report on Form 10-K for the year ended December 31, 2007, and its quarterly reports on Form 10-Q. These forward-looking statements speak only as of the date hereof. Energy Focus disclaims any intention or obligation to update or revise any forward-looking statements.
